

August 2008

Dear Parents and Guardians of First Graders,

Welcome to the Stonington School Nutrition Program. On the first day of school, we issue each first grader a name tag which includes their student PIN (personal identification number) The PIN can be used with our school meal program.

We offer many meal payment options for parents to choose from. Students can bring in money each day they wish to purchase meals or milk, or utilize their child's account and access pre-payment options. Students paying daily do not need to memorize or use their PIN numbers. However, if you do wish to pre-pay for meals, please send in cash or a check made payable to S.P.S Nutrition service. We will teach your child how to use the PIN pad. Please include your child's name and grade on the envelope or check remittance area, or eventually just include their PIN once you are familiar with the number.

Another payment option is to make payments on line using Payschools. Payschools allows parents the option of reviewing account balances and making payments using debit or credit cards. More information on Payschools is available on our district web site www.stonington.org.

Please call me anytime at 599-0766 or e-mail me at tpaquette@stoningtonschools.org if you would like your child's PIN or if you have any questions or concerns.

Thank you for supporting our school nutrition program.

Sincerely,

Tim Paquette

Director of School Nutrition Services
