

Mystic Middle School Extra-Curricular Activities

We are happy to provide a wide variety of extra-curricular activities for our students. Late busses run Monday-Thursday and depart MMS at 4PM. Please note that late bus stops may be different than regular bus stops. Please contact the First Student Bus Co. at 599-0838 for further information.

In most cases, it is not necessary for students to sign up for after school activities **unless otherwise indicated**. Students who want to participate in a particular activity should plan to attend the activity's first meeting.

Also, while every attempt is made to keep a regular schedule, there are circumstances that may lead to the cancellation of an after school activity, such as a staff member's absence. In this case, students are informed via the school intercom. In the event of an early dismissal due to weather, all after school activities will be cancelled.

The following is a list of planned activities for the 2007-2008 school year. If you have further questions about an activity, please contact the person in charge of that particular activity.

Intramurals
