

GRADE 5 SUPPLY LIST

Dear Incoming Fifth Grade Students,

Welcome to Mystic Middle School. We look forward to a wonderful year. In order to make the transition to middle school a smooth and successful experience, you should start the school year prepared with the items below:

- 1) Three two- pocket folders
- 2) A steady supply of # 2 pencils over the year
- 3) Blue or black pens
- 4) Three one subject, spiral notebooks
- 5) Three 1 inch binders- 1 red, 1 black
- 6) One package of wide ruled, loose leaf notebook paper
- 7) One package of reinforcements (stickers for repairing punched holes in binder paper)
- 8) Five subject dividers
- 9) A box of tissues for the classroom

A suggestion for the summer:

Borrow or purchase a combination lock and practice unlocking it until you can do so easily. This should help you open your own locker when school begins.

Have a safe and restful summer. We look forward to seeing you on **September 4, 2007.**

Sincerely,
Team 5
