

# Chikumbuso Challenge # 6

B.E.A.R.

Be Excited About Reading!

Challenge # 6 is open to everyone – students and staff! It is on-going, and it is an “out of the goodness of your heart” challenge – no bonus points, just good feelings...

You are all invited to read a children’s book on video to our Zambian Chikumbuso friends! We plan to videotape several of you and send CD’s to the Chikumbuso children to view! In addition, we will send copies of the books you have chosen to the Chikumbuso School so they can follow along as you read, and to help them start a school Library!

Choose your book(s), and practice. We will meet on Mondays after school in December to try to get our first CD ready for the holidays. Mrs. I has a box of children’s books in room 105, if you need to borrow one.

If you are interested, please sign up on the downstairs front hall entryway board or outside the Thanzi Room(105).
