

Chikumbuso Christmas Giving Tree

Families have been asking if they could give Christmas gifts OR make Chikumbuso donations for the holidays. Jeanne Steinnagel contacted Linda Wilkinson, in Zambia, and they do have a needs donation program in place.

On our beautiful Pawcatuck Middle School office Christmas tree, Jeanne has created beautiful ornaments that list gift options. Gifts range from \$15 to \$450. If you are interested, please take an ornament, and return it with a check to PMS with the requested information. OR, you may call Jeanne Steinnagel or Janis Ingham at 599-5696 with questions and/or to make donation arrangements.

MATCHING GIFT OPTION:

Students at PMS are currently bringing in loose change for a "Change" the World Coin Collection Challenge. The money they collected up until December 15th will help provide the Zambian orphans free health care cards.

As your Christmas gift to Chikumbuso, you can offer to match the funds collected by any one homeroom. This would be between \$50-\$100 maximum. Let us know by December 18th.

Thanks for any change you sent in! Mafuna abwino aKhrismisi and Chimwemwe cha chaka chatsopano!
